

# **USAID's Engendering Industries Best Practices Framework for Advancing Gender Equality in Male-Dominated Industries:**

## **6.3 Develop an employee engagement plan**

## **About Your Gender Equality Plan**

The following Gender Equality Plan was generated using Engendering Industries' online tool: [The Best Practices Framework for Advancing Gender Equality in Male-Dominated Industries](#). The best practices listed in this plan were identified and included to fill gender equality gaps at your organization. The information included in your plan provides an overview of how to implement best practices, challenges to implementation, and markers of success. More information and resources for advancing gender equality at your company are available at [EngenderingIndustries.org](https://EngenderingIndustries.org).

### **Description**

Develop an employee engagement plan, leveraging the influence of senior managers and other key personnel to act as ambassadors of change and generating understanding, learning and additional buy-in by employees engaging with female talent.

Develop KPIs<sup>[1]</sup> for employee engagement and use the engagement around gender equality and D&I as an indicator for performance management and promotions

### **Challenges to Implementation**

Time constraints of senior managers and other key personnel

Cultural or traditional barriers may limit willingness of male senior managers to interact with women

Managers may need support or training to interact with children or students

### **What Success Looks Like**

Gender equality and D&I initiatives are supported by various stakeholders and gain additional momentum

Senior managers and other staff increase awareness through interaction with target groups

Company perception increased as various people walk the talk and are visible as active supporters of gender equality and D&I

### **Resources and Tools**

[1] **KEY PERFORMANCE INDICATOR (KPI).** Critical (key) indicators of progress toward an intended result. KPIs provide a focus for strategic and operational improvement, create an analytical basis for decision making and help focus attention on what matters most. As Peter Drucker famously said, “What gets measured gets done.” (Source: [KPI.org](https://www.kpi.org/))
